

What is the World Saying? LEAD3 2019

Use this board to post your reactions to conducting a personal background check.

Important ideas from this segment of the workshop.	Votes
Most important!! My digital Tattoo, not leaving so much digital footprints	0
I need to examine the sites that you shared in order to remove as much info about myself as I can. ~Team 2	0
I'll be getting out the tinfoil	0
Thank you for all the information, so much valuable information.	0
I really like the "what does the internet say about you" (online persona activity. Definitely something both adults and students should know	0
