The DCHAS Listserve is very helpful	4
outreach and technical program at regional meetings	2
Strong and growing technical program at national meetings	1
The resources lists on the front page of the website are great.	0

<b>What can be improved</b>	<b>Votes</b>
Need a way to search for responses to questions similar to mine. Related: volunteers to curate faqs on the listserv	7
The Division needs to decide on its role with respect to education and training.	6
It appears that the ACS Office of Safety and the JCHAS editor are now de facto members of our EC, Should that be addressed in the Ad. Man.?	1
Overlap/redundance of work with other groups within ACS (CCS, Safety Office)	1

<b>What do you want from DCHAS</b>	<b>Votes</b>
A place to answer lab safety questions.	7
Listing of all chemical safety-related courses offered by ACS - in addition to the DCHAS workshops	6
Subscription to the Journal.	3
What happened to the daily updates? Could you reinstate them?	0
