Answer the questions.

Does the presence of TV cameras sometimes create news? Can demonstrations become riots because the demonstrators know they're being filmed?	Votes
I think yes. For example I gave interviews on the streets on Chisinau many times. Evelyne.	0
How independent is TV news? When there's a war, should governments have the right to censor news to protect national security?	Votes
I don't fond any TV channels to be independent. They all stick to a political party. Mikle	1
Is every report in the bulletin fair? Are both sides of every story fairly, equally and accurately represented?	Votes
Which are the most important stories? What matters more... an earthquake or an election? A plane crash or a politician's speech?	Votes
