

Statement of Income

Eligibility Resource #3

What is working?	Votes
my household income situation, below that- it would make more sense to say "we are not currently receiving income, it's own choice. "	2
It could all be one form- declaration and statement of income.	2
Used most frequently - combines Declaration of No Income and Declaration of Family Income	2
Gives families opportunity to explain why their circumstances have changed - helps with completing the EVF	2
Like that it is inclusive, brings up a lot of points	0
Used often. Appreciate the simplicity of the form.	0
Prompts help FS not to forget any pertinent information	0

What is not working?	Votes
Redundancy. Combine into one form that covers all situations represented on these forms. But don't make the form too busy.	6
Not enough much space for writing a narrative about no income, change of income, etc.	0

If I could change 1-2 things?	Votes
Make it a PDF so it can be as long or as short as needed and legible	2
Form does not always fit family situations, needs to allow for unique/individual situations	2
Combine the " Declaration of Family Income " and "Statement of Income" into one form	0
Make form fillable and provide electronic signature line	0

Other?	Votes
Please put a path to its location on the ELPM so it is easier when needed	1
