

NCETM Online versus classroom

NCETM Online versus classroom

Where have you had the most success with remote T&L?	Votes
Whiteboard.fi and Desmos have been great for seeing students work and thoughts	1
Use of visualiser	0
Instant feedback from online platforms allowing students to work at their own pace.	0
mathspad, mathswatch, method maths... all life savers!	0
Dr Frost Maths	0
Prezi and Canvas	0
The students are working independently rather than relying on the person next to them	0

What do you perceive to be the biggest challenges?	Votes
Pupil engagement- fighting against distractions at home	1
Keeping track of pupils progress - some platforms give an idea but tough to be reliable	1
Issues with my broadband - still hot spotting off phone!!!!	0
Students not talking!	0
The lack of discussion	0
Not seeing their faces- ours are not allowed cameras on	0

What 'new' methods will you take 'back to the classroom'?	Votes
Remote Education Research Jan 2021 https://www.gov.uk/government/publications/remote-education-research/remote-education-research	0
Quizzes at the end of lessons- maybe on their phones? I know others have been doing this for a while but I never had, and now I love them!	0
Quick check for understanding	0
Visualiser	0
