

Idrija

Watch the video and find out why is this tourist attraction a joint point for all the three partner schools.

I think...	Votes
We are all super cool and valid people. Also we have levadas in madeira that are similar to the streams of water.	10
We have the fauna, flora in commum	10
Madeira Island has a beautiful forest , the Laurissilva	8
Mine (mercukry mine) in Silesia we have: - coal mines - silver mines - cooper mine. In Madeira there are no mines.	7
Traditional houses and monuments -Santana houses	6
Madeira Embroidery; Water Channel	5
Idrija has its unique and traditional embroidery, very beautiful and spectacular. Madeira Island has its unique and traditional embroidery as well. It's called "Bordado Madeira".	5
Idrija miner houses were transform in museums	2
Idrija-lace is similar to Madeira Bordado.	0
Pierogi-žlikrofi we also have pierogi but other kinds	0
A Unesco site. In Silesia we also have Unesco Site i.e. Silver Mine in Tarnowskie Góry	0
