Analysis of teaching resources

Observations	Votes
When teaching, it is probably best if I get out of the way as much as possible, and let primary sources speak the loudest. -Daniel	0

Reflections	Votes
<p>I came across the following quote and it struck me just how an overarching theme in this type of research is that human life has value--it is fundamental.</p> <p>"There is something fundamental here. We cannot solve the Indian problem without Indians. We cannot educate their children unless they are kept alive."</p> <p>--Cato Sells, responding to the serious mortality rate at U.S. Indian Schools, in Annual Report of the Commissioner of Indian Affairs, 1916- Daniel</p>	0

Questions	Votes
How can an educator feel like they have done justice to teaching research and the topics of their research simultaneously. -Daniel	0
