

# Ethical Use of Digital Resources

Opening prompt for ethics workshop

What questions do you have related to promoting ethical use of digital resources in your classroom?	Votes
Click the green circle with the plus and start to type. When finished, click outside the sticky note to post it.	0
I'm curious about how to encourage this topic in classrooms when it often gets seen as "something else" that teachers have to teach.	0
I have lots of questions because I'm new at this: 1) How do we get everyone in the district on the same page? 2) The laws are sometimes really confusing and I'm not sure how to wade through everything. 3) What is the process for changing the ways things have been in a district to update with newer things?	0
Wondering how to change the focus of DC lessons to this new lens in the classroom.	0
Curious about a scope & sequence for teaching digital citizenship (esp. in elem) & resource bank of tchg examples from TikTok, Instagram...	0
How do I advocate for websites that the district filter blocks but teachers feel are important to use with students?	0
Knowing when it's appropriate to be using digital resources--how do we teach this? We had to disable chat in teams bc students couldn't not	0
How do we work with strict content filtering by districts? It makes it very difficult to find examples and non examples when we get blocked.	0
Which grades should get what DC lessons?	0
