Asgardians Retro

Want went well	Votes
Welcome back Neha!!	4
Enjoyed Fun Friday - kudos to the Team (Pulkit, Banshi, Sourabh) - AASHISH	3
Manual regression cases reduced by >50%,	1

What can be improved	Votes
JIRA Comments - conversation outcomes not being documented well. Especially bug related outcomes. JIRA hygiene - use the filter to know which tickets are not having relevant data in JIRA. - AASHISH	0
Task Management - each person in the Team must learn this. This will help make this Team self-driven. - AASHISH	0
whatever kudos we are adding here in ideaboard, can we share those things in Lattice - SJ	0

Action Items	Votes

Kudos	Votes
Kudos to Robin and Abhishek - Both are doing good work in test cases automation. They are not just doing the stuff but also putting a lot of thoughts before doing the things to make things efficient and reliable. -- SD	2
