

The way we wear

Students from the 2023-24 eTwinning project evaluate their work

What went well	Votes
Creating and singing the song with all creative ideas was fun. :) -Kayra	300
I enjoyed working in groups and communicate with others. Overall I had a lot of fun! –Lucy	200
Organizing the Padlet pages and doing the work with the song went very well- Mandy	135
Collecting ideas for the song and singing it in the end was a lot of fun. -Paula	52
We worked nicely in our teams, it was fun to work together! -Erik	31
Working in a team -Ksenia	8
I liked how we get to know our environment and their sustainable actions through the field trips we made with our course and the ebooks we designed. ~Nihal	7
I liked designing the Ebook and writing different text and I also liked learning things about how to become more sustainable. - Holly	3
Collaboration in our group of work- Laura and Claudia	2
I like when I have to draw and sketch and I've done it a lot in this project_Elisabetta	2
Working in a team went very well- Leonie	2
What worked was organization and group work.Greta,Zemka	1
In our group the collaboration was probably the thing we had	1
I think It went well because we learnt about upcycling. It's very important because it makes us aware that we can reuse something that we want to throw away. -Azzurra -Daniele	1
I liked reflecting about the choice we make when we buy clothes Lucia	1
The Teamwork worked very well - Daniel H	0
we were able to recover the most important information-Lavinia	0

organization and presentation lavinia and jasmine	0
collaboration in our group of work- Laura and Claudia	0
Teamwork,timing,info distribution,public speaking,item creation. Emanuele	0
Collaboration, eleonora e federico	0
I like working in a team Elena	0
many items of information on our topic -Daniel C	0
It was also great that we used such tools as for example our eBook platform.It was fun to use such a website to share our texts creatively,Anastasia	0
I liked to work in a team and exchange eachother -Lina	0
The clothes swap was a whole Success	0
We've learned many new things about the fashion indusrty that surrounds us, Anastasia	0
Working in our groups -Lea	0
We were able to discover a variety of viewpoints within the E-Book, whether it be about the content of the articles or the design's. And we were able to work together soundly since everybody has uploaded something into the E-Book . -Hafsa	0
Working in a team went well and that we used websites. Valeria	0
We were put in good groups with which we got along with so the collaboration worked well ! -Sara	0
I thing we are a good group and work well together. I really enjoyed the project work. By Rosa	0
The work and exchanges in our team went well, it was also fun to get such a new experience! -Michelle	0
the groupwork was fun and we had an amazing result. It was nice to work together:) by Marieke	0
Working together went really well and communication was really easy,so it was very fun! -Eric	0

I like how much we learned from this project and working with our team. Overall, I enjoyed this project and had a fun! —Joeleen	0
Doing tasks in a group went pretty well. We divided the tasks between our group members and talked about our solutions after.	0
Working together was fun. -Lilliana	0
it was interesting to work with Italian students and surpassing the language barrier. I hope we will make more projects together-Anastasiia	0
Working on a song with Italian students went really well and was very fun - Marie	0

What can be improved	Votes
The Team collaboration didn't really go well, since we couldn't really decide on how to distribute what we wanted to add on ebook...:(~Nihal	12
I think that the teamwork and collaboration can be improved, especially the distribution of who writes what. - Holly	7
sometimes not good collaboration, and it could be more organized as sometimes it was not clear what was to do-daniel	6
We have to learn to collaborate better in our group jasmine and lavinia	4
When we had to present our work on upcycling to the class was difficult for us Alessandro V and Alessandro D	3
I am not always at ease when I have to work in a team. I know I have to improve that_Elisabetta	3
There was a lack of creative and personal freedom and motivations sometimes, which may lead to disinterest for some of us ~Jordi	3
I have to improve my time management_Elena	2
We can use the idea of upcycling often -Azzurra -Daniele	2
When we organized the clothes swap fair, we might have helped more our classmates in charge of the organization Lucia	2
When I presented my upcycling project to the class, I had to have a command of my body language.. This is something I can improve	1

Whenever we work for a topic in eTwinning, we have to present it in class, and for me public speaking is not something I'm really good at. Francesca	1
I think that the distribution of who writes what can be improved. -Valeria	0
body language in the presentation of our work- Laura and Claudia	0
Body language, Federico e Eleonora	0
we could improve in organizing time.-Lavinia	0
Some time management and remembering informations	0
I have to improve my time management because sometimes there is too much to do and I forget to do some things	0
Dont write so many elevator pitches- Leonie	0
Many tasks which all have to be managed on time and because of that it could happen that someone forgets to do something,Anastasia	0
Communication inside the group: Everything may have been uploaded, but sometimes there would be a lack of communication. But that may originate from the complicated sites of communication we use, like etwinning, with all of its tabs ,and padlet . The sites weren't the best for communication, in conclusion and we also had different tasks -Hafsa	0
The videoconference could have been better because we couldn't really understand our international team members due to the bad internet	0
I think that the video conference could have gone better because we couldn't understand our Italian team members due to the bad internet connection -Sara	0
The video conference could be improved. Due to the bad internet connection, you could barely ever hear the team members. —Joeleen	0
The tasks should be better divided with both schools because then I think there wouldn't be really problems with teamwork-Lea	0
The video conference didn't go so good because the internet was bad and we all were nervous. By Rosa	0
Compromising could be better and the video conference could be improved because of bad internet the connection wasn't that great-Finja	0
The Video conference wasn't really helpful,because of technical errors. -Eric	0
Expect the video conference and its technical errors, I have nothing to complain about. -Michelle	0

The division of the different task could be improved and the communication	0
The video conference could've been better. -Lilliana	0
The communication with the Italian partners wasn't always ideal. -Paula	0
I have to stop forgetting to do my assignments and do more work in group/team - Anastasiia	0
I could definitely improv my time management and communication skills but besides that i have no complains–Lucy	0
The team work was not so bad but also not perfect. the communication was also not good, which is one of the main reasons. ~Lisa	0
I need to remember doing my assignments and be more active in a team - Marie	0
The Video conference didn't worked that good. -Loretta	0

My takeaways	Votes
Now I know how to make others aware in our everyday life and be active in sustainability. ~Nihal	10
Also my knowledge about more sustainable lifestyles and environmental problems which cause climate change became bigger,Anastasia	7
Know how to upcycle and reuse items.Greta,Zemka	3
Upcycling taught me lots of things i will use in the future A.V A.D	2
Stay relaxed, Eleonora e Federico	2
I now know how to write different texts, what to think about when buying stuff and just how to become more sustainable in general. - Holly	2
communication with others- Laura and Claudia	1
We take away the knowledge that everything can be reused Azzurra	1
A good grade in civical education. Emanuele	1
I had nver thought that buying second hand clothes is cool Lucia	1
I try to be more sustainable now lina	1

I have learned that learning cannot only be achieved by reading and writing but also by singing and listening -Sara	1
The meaning of waste and how harmful fast fashion is for our environment. -Finja	1
The bad influence of fast fashion on our environment. -Michelle	1
Learning how to work in a team. Learning more about fashion etc. -by Marieke	1
I am more environmentally conscious and aware of how my clothes are made –Lucy	0
Learning about fast fashion- Lea	0
the meaning of upcycling-Lavinia	0
we discovered the meaning of upcycling lavinia and jasmine	0
I always tried my best while working. I think we made great results! -Loretta	0
I've learnt a lot about clothes dyeing systems Elisabetta	0
hoe the textile industry uses workers in poor countries and how the EU tries to be more sustainable-Daniel	0
I've learned how to write texts in a more creative way even in english, Anastasia	0
I think twice about buying at shops like Shein or H&M	0
It's been nice to learn more about the consumption, which aren't mentioned much in the media. Hafsa	0
I learned a lot about fast fashion and the consequences of it. -Valeria	0
The meaning of waste. By Rosa	0
The negatives that come with fast fashion and how to live sustainably -Eric	0
Being more aware of how immense the consequences of fast fashion actually are —Joeleen	0
I learned what I can do to live more sustainable with my clothes and my consumption. -Paula	0
I also learned about child labor and the unfair production of fast fashion. -Paula	0
Respectful communication with strangers - Mandy	0

I learned how to live more sustainable. -Lilliana	0
acknowledge of which life cycle our clothes and fabrics have and how it impacts the environment- Anastasiia	0
