

Deviant-Kibate

Tell me what you may want to see(that isn't covered by the comics) and I may draw it in the future

Community Ideas	Votes
[1] Topless athletic woman laying on front, 8 inch woman massaging her well toned back. [2] Woman's belly goes "grr", small woman freezing. "I should have had a protein bar... hmm..." [3] Woman now on her back, small belly bulge just under her ribs + x-ray showing the small woman curled up inside tightly. "Much better than a massage."	8
A mob boss who's in control of the most powerful crime syndicate has woken up one day to find himself an inch tall. Now he and his assitant must work to hide the fact that he is shrunk while trying to find a cure for his affliction	7
:3 Love your work	6
Example by Kibate: More character bios	3
Universe where all men are roughly 1:200th the size of women. Emphasis on *gentle giantess* content with size scale more drastic than usual.	3
Example by Kibate: Hinata(from Naruto) as a giant walking through Konoha	2
Perhaps some action 1 like superheros from marvel. Or sci fi with aliens or cyborg	2
Diane from 7DS eating and unbirthing everyone due to memory loss	2
Woman "accidentally" sitting on a little person on the subway; anal insertion... they get up for their stop, little person's bag is all that's left as they leave.	2
What about make a long comic of that university professor who had a tiny inside her ass?	2
Restaurant setting. Panel 1: woman looking at menu which is only "condiments"; like "zesty with honey" and "cream and herbs". Panel 2: Plate on table with 6 inch person with chosen condiments on/around them. Legs/Hands bound with chives. Off side waiter saying "Enjoy your meal madam" or something. If allowable, 3rd panel showing the "meal" settling in.	1
A heavy vore themed comic series thats about a restaurant where tinies works	1
I would love to see more tiny sizes for example 8 inches so you can see more throath bulge or insole	1

Small sequence of woman swallowing a small woman who is 10 inches tall. Less realistic, but changes the focus to struggling to get them down, bit of a neck bulge, and then then small woman being squeezed into a stomach that she barely fits in.	1
Lamia vore! Same size, or half size (Lamia is twice the size of a person perhaps). Snake stomach, tail bulge, etc.	1
what if scenerio: What if the prince (from the spoiled prince) got with the other princesses instead of the main girl. Could have each chapter be a what if scenario with each of them. Ending could be a harem what if	1
A little person sitting in strip club, dancer on the pole in front of them. Someone pays the dance a handful of cash with a note attached. Dance now has her g-string pulled to the side while dancing, little person being pushed into her anus with her other hand. Lot of tips landing on the stage.	1
Taxi service where Little people book big people Uber style and ride in their mouth while the person jogs to the destination. This one trips, swallows. Looks around. Shrugs. Takes out phone, taps the "Ride Cancelled" and walks off.	1
A new female protagonist who loves giants and giantess (vore, entrapment etc.)	0
Someone wakes up to discover they have mysteriously shrunk and grown a mouse tail and mouse ears. Leads to pet play and other gts kinks	0
